

The logo consists of a stylized globe in the center, with the letters 'GFS' in a bold, black, sans-serif font overlaid on it. The globe is rendered in shades of blue and white, showing continents and oceans. The letters are black with a slight white outline, making them stand out against the globe. The background of the entire advertisement is a deep blue, decorated with a repeating pattern of light blue airplane silhouettes flying in various directions. On the left side, there are several curved, overlapping bands in lighter shades of blue and white, creating a sense of motion and flow.
